

## ARRANGE FEAST FOR COMPANY K

El Paso Women and Girls  
Unite To Give El Paso  
Soldiers a Welcome.

Mothers, wives, sisters and friends of the "boys" of company K, Fourth infantry, Texas national guard, at a meeting at the chamber of commerce Friday afternoon, outlined tentative plans to give El Paso's soldiers a fitting welcome upon their return home from Camp Wilson, San Antonio. These plans will be completed Saturday evening following the meeting of the military committee of the chamber of commerce.

**Girls "Go Broke" For Flags.**  
At the meeting Friday it was decided to present the company with a regulation American flag and a Texas flag. Mrs. George H. Clements, who was present at the meeting, said that the girls of Shamrock circle had voted to contribute \$25.00 toward the purchase of the flags. This represents the entire amount in the treasury. Shamrock circle is composed of young girls under 12 years of age who were born in El Paso.

**Gen. Bell to Present Flags.**  
Brig. Gen. George Bell, Jr., commanding the troops in the El Paso district, will present the flags to the company, and they will be received by Capt. Walter Jenkins, commander of the company. The flags will be presented in the hall of the chamber of commerce. Mayor Tom Lea will deliver the address of welcome to the returning infantrymen.

**To Parade Through Streets.**  
When the train bearing the soldiers reaches the city they will be met at the station by the mothers, wives, sweethearts and sisters of the soldiers as well as scores of their men friends. A military band will head the parade through the streets of the business section. The procession will move to the chamber of commerce where the evening's entertainment will be held.

**To Serve Soldiers a Feast.**  
Home made good things consisting of pies, cakes, sandwiches and other refreshments furnished by the women will be served the soldiers. Following the feast the remainder of the evening will be spent in dancing. Those present at Friday's meeting were: Mesdames George H. Clements, Edith C. Lane, H. E. Stevenson, J. P. Weeks, K. A. Goode, Dave Crockett, R. L. Morris, J. J. Mahan, George W. Gorbett, E. C. Mader, J. Hudepohl, C. F. Newson and Misses Mattie Lee Mahan and Zelena Newson.

## RUSH TROOPS TO HOLD VILLA BACK

Villistas Take Santa Rosalia  
and Are Reported Moving  
on Chihuahua City.

Two thousand Carranza government cavalrymen were dispatched southward from Chihuahua Friday to check the advance of the Villa army, which is moving on Chihuahua from Santa Rosalia, captured Thursday by Villa, according to advices reaching here from Chihuahua Saturday. A battle between the Villa vanguard and the Carranza cavalry column is expected to take place at Ortiz or Bachimba, midway between Chihuahua and Santa Rosalia.

**Villa Takes Santa Rosalia.**  
Arrivals from Chihuahua Saturday said that the Villista vanguard moving northward from Jimenez had occupied Santa Rosalia on Thursday and that the main body of Villa's troops was reported to be within a short distance of Santa Rosalia when they had left Chihuahua. All Carranza troops in that district had been withdrawn from Santa Rosalia, as well as Jimenez and Parral by Gen. Francisco Murguía, after his defeat at Santa Rosalia, Dgo., and Parral and when he retreated to Chihuahua, the arrivals said.

**Fortifying Chihuahua City.**  
Murguía is fortifying Chihuahua City in preparation for defense if Villa follows up his advance and attacks the city. The passengers arriving here said that Murguía has called in all troops operating in western Chihuahua and that they are engaged in building entrenchments and placing "trinchas" around the city to hold off Villa. Artillery has been placed on Santa Rosa and Coronel hills and the city is preparing for a siege, it was said.

**Murguía's Run into Ambush.**  
Details of the defeat of Murguía were brought to the border by passengers. They said that Murguía had followed up a retreat of a small band of Villa troops after he defeated them at Santa Rosa, and ran into a Villa ambush at Rosario, where a complete rout of Murguía's troops took place. Villa captured one of Murguía's trains, they said, and with the remaining two trains and the remnants of his force, Murguía fled to Parral. Here he loaded the entire civilian population aboard the trains and left only a small force of troops at Parral. Villa followed up Murguía on the captured train and occupied Parral without any resistance. He secured munitions without a fight and then moved on Santa Rosalia, the report said.

## FAREWELL FOR CHAPLAIN AXTON

Service to Be Held Sunday  
Night in Tabernacle By  
Special Permission.

Because the men of the 20th infantry had planned a big farewell service for chaplain John T. Axton and his family, Col. Alfred Hasbrouck sought and obtained permission from Brig. Gen. George Bell, Jr., to hold the service in the big tabernacle, the quarantine being waived for this one indoor exercise with the understanding that the doors and windows and all ventilators would be kept open during the service.

Except for this concession, chaplain Axton would not have had the pleasure of conducting a service in his finished plant for the floor and the approach to the balcony were completed only yesterday, and the folding chairs put in place. The building had been in use for several weeks without the floor and advantage was taken of the two weeks quarantine to make these additions.

Ma. Samuel J. Smith, chaplain of the Eighth field artillery, and chaplain Joseph Clements, of the Fifth field artillery, have arranged the program for the farewell service. So anxious were the men of the regiment to honor their departing chaplain that seven soloists from the band insisted upon having part in the exercises and have been given places. Miss Anna Axton, by request of the men, is to sing "Not Understood," by Houghton, and "The Shepherd's Call," by Bailey. Brief farewell addresses will be made by chaplains Smith and Clements, who have been so long associated with chaplain Axton in the entertainment and religious work at Fort Bliss, and the chaplain will have a parting message for his men.

**Officers From Bible Class.**  
From the Men's Bible Study club the following have been selected as ushers for the service: Privates John I. Pirus, company "I," 20th infantry; C. Greenberg, battery "A," Fifth field artillery; Harry T. Clark, company "B," 20th infantry; Edward L. Trackman, company "E," 20th infantry; Paul A. Stehler, battery "A," Fifth field artillery; Willie Johnson, battery "E," Fifth field artillery; Samuel V. Broas, field hospital company No. 1; Keley K. Newman, company "N," 20th infantry; D. L. Gresham, medical detachment, 20th cavalry; and Clarence Westphal, company "E," 20th infantry.

The service will be held Sunday night at 7 o'clock and will be preceded by the usual song service, the complete order of worship being:

## OBREGON STILL IN THE CABINET

Mexican Officials Deny Report That Obregon Has Broken With Carranza.

Secret service agents continued Saturday to watch the movements of a number of well known Mexican military men and politicians here, following the rumor Friday of a prospective break between Carranza and Obregon. The unusual activities of these Mexicans continued Saturday and several informal meetings of the various factions were held in the lobbies of local hotels and in rooming houses which have been Junta headquarters here for more than a month.

An emphatic denial of the rumor of a semi official character was issued by Andres Garcia, inspector general of Mexican consulates and the ranking civil official on the American border.

"I am in position to deny absolutely and emphatically the unfounded rumor that Gen. Obregon is planning or has planned a movement against Gen. Carranza. Gen. Obregon's loyalty has never been questioned," he said.

E. Soriano Bravo, Mexican consul to El Paso, said:  
"There is not the slightest truth in the report that Gen. Obregon has repudiated Mr. Carranza. He is still acting as minister of war at Mexico City in the first chief's cabinet and his resignation will not become effective until May 1."

## Wants Others to Know Remedy That Helped Him

MR. CHAS. FROELICH

Can't understand how he was cured so quickly after suffering nineteen years.

For nineteen years, Mr. Chas. Froelich, R. F. D. No. 2, Gorham, Kansas, suffered from stomach and kidney trouble. He tried all the doctors for miles around but got no relief, and had about given up, when Mrs. Froelich read in the Kansas City Post about Fruitola and Traxo and what it had done for a man with stomach trouble. He says, "She sent for Fruitola and Traxo and from the first I felt better. I only took two bottles and am well now and can eat and work like a young man. Fruitola and Traxo did it and I'll do all I can to get others to try it."

Fruitola and Traxo are compounded from the original Edsall formulas at the Pinus laboratories in Monticello, Ill., and can be purchased in drug stores; a doctor's prescription is not necessary. Fruitola is a pure fruit oil that acts as an intestinal lubricant and disintegrates the hardened particles that cause so much suffering, discharging the accumulated waste to the sufferer's intense relief. One dose is usually sufficient to indicate its efficacy. Traxo is a tonic-alterative that is most effective to rebuild and restore the weakened, rundown system.

A booklet of special interest to those who suffer from stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Illinois.
